SPOTLIGHT CAMERA - RING™, 1080P, WIRED, SIREN

Adjustable motion sensors let you get the ideal setting for you and your home. With instant motion-activated alerts, you'll always be the first to know when there's someone on your property.

A built-in spotlight gives you crisp video around the clock, and night vision has you covered, even with the lights off. For added security, there's a 110-decibel alarm to help you scare off intruders.

Wired Spotlight Camera plugs into standard power outlets to give you non-stop power, so you'll never need to charge a battery. It also comes with everything you need to get your Cam setup in just minutes.
