The Alibi Vigilant Performance Series, 4MP 262 feet IR Fixed Bullet Camera delivers crisp video day or night. It also offers flexible storage solutions, with a built-in micro SD slot – enabling local storage up to 256GB.

+ **Multi-Megapixel Resolution Video** – 4MP resolution provides exceptional clarity and detail for most applications.
+ **IntelliSearchTM Color Match Technology** - Powerful camera analytics capture apparel colors and vehicle color and apply metadata to the video recording. Using powerful search algorithms, users can apply filters to quickly search for upper or lower garment color or vehicle exterior color significantly reducing the amount of time needed to search video footage.
+ **Smart Full-Frame IR = Better Video at Night** – Advanced full-frame illumination technology helps you capture up to 262 feet of nighttime video footage with more contrast and clarity.
+ **Color Attribute Collection** – Advanced technology collects the color information of the target with high accuracy for identification of a human's upper and lower garment, color of a vehicle, and upper garment color of the driver of a non-motor vehicle.
+ **Auto Scene Adjustment (intelligent WDR)** – Allows camera to easily and quickly improve image quality in high-contrast lighting conditions (foggy, backlit, flickering) and capture details in both areas of the video that are dimly and brightly lit.
+ **SmartSense technology** – utilizes AI deep learning developed data algorithms to identify human and vehicular targets with extreme accuracy and reduce false alarms.
+ **Starlight 2.0 Chipset Technology** – featuring an HD progressive scan CMOS sensor, capturing clear and vivid color images day or night – even in extremely dark environments.
+ **Lower Bandwidth and Storage Usage** – Ultra H.265 Compression technology reduces the video stream's overall requirements, saving you bandwidth and hard drive space.
+ **Easy management** – an intuitive interface and access to the free Vigilant Mobile App and Vigilant CMS makes management more straightforward than ever.
