ALIBI® Hybrid Cloud

Back Up Critical Footage to the Cloud

Alibi Security is proud to partner with your dealer-installer for Hybrid Cloud activations!

Alibi Hybrid Cloud gives you peace of mind that critical video footage is stored safely off-site and available when you need it. For a limited time, we are offering a **no-obligation FREE 30-day trial** of Alibi Hybrid Cloud for up to 3 cameras on your system.

Activate your free trial today to get these benefits for your security system:

- Secure event-based video storage in the cloud for 180 days
- AI-powered analytics that reduce false alarms by up to 95%
- Health monitoring that alerts you if cameras go offline
- Additional analytics available like loitering detection, gun detection and more!*

Ready to activate your free trial? Simply scan the QR code above and provide some basic information. An Alibi Hybrid Cloud specialist will follow up to get your account activated.

**For an additional monthly fee*
