

POWER SUPPLY - UNIVERSAL, 1000 VA

Key Specifications:

- + AVR increases low or decreases high voltage to a computer safe 110/120 volts.
- + Automatically provides battery back-up power if line voltage drops below 90 volts or exceeds 140 volts.
- + 30 day money-back guarantee and a 1-year warranty.

The UPS-1000 provides automatic voltage regulation for inconsistent utility power. The UPS-1000 features 890 /1080 Joules of surge protection, and provides battery backup during power outages.

An Automatic Voltage Regulator automatically increases lowers or decreases high voltage to a consistent, 110 V / 120 V. The unit s powerful sealed lead-acid batteries will provide power only if the incoming voltage drops below 90V or increases above 140 V.

SPECIFICATIONS

Operating Temperature (F)	32 - 95
Weight (lb)	15.9
Volts AC	120
Estimated Battery Life	3 to 6 years, depending on use
Battery Type	Spill-proof, maintenance-free, sealed lead-acid
Warranty	1-Year
