CASE WITH CUSTOMIZABLE FOAM INSERT - 1200 CRUSHPROOF, BLACK

Protect your equipment on-the-go with the rugged and portable Pelican 1200 Crushproof Black Case with Foam Insert. This Pelican case features a high-impact, crushproof Polycarbonate shell with a solid wall design and foam core that is incredibly strong and lightweight. The large, comfortable fold-down handle provides easy portability.

The case features a Polymer O-ring waterproof seal that provides protection from water, dust, and air. The case is also chemical and corrosion-resistant. An automatic pressurization equalization valve equalizes pressure due to atmospheric changes.

The Pelican case also features a pre-scored Pick 'N' Pluck™ foam insert that is customizable to fit your equipment. The three-piece foam set includes: one base pad layer, one cubed polyethylene foam layer, and one convoluted top lid foam layer.

The Pelican 1200 also features stainless steel hardware, double-throw latches, and padlock-able clasps for added durability and security.
